PRESIDENT'S NEWSLETTER

Volume 1

August 2008

Number 02

PRESIDENT

Heartfelt Greetings Dearest Members,

Dearest Members,

It is the collective duty and responsibility of all the Members of this Institute to preserve, protect, nourish and develop this great Institution. Our Institute is also a witness to the growth of this city from a humble, peace loving garden city to fun a loving technological nerve centre of our country. The common factor being that intellectuals were there then and they are there now.

The difference perhaps is the sudden technological leap our city has undergone. But somehow, I feel, our Institute has not kept pace with this technological leap. My endeavor as president of this Institute, of course with your support and co-operation, is to use modern technology to improve services in the Institute. In time to come, I shall come before you with concrete proposals to convert and improve upon the existing facilities to match the very best available any where in the country. I hope, as you have always done, extend your helping hand to me. In anticipation and in retrospect, I thank you all.

The Secretary has been asked to go on leave and Mr. Rekhi Kuldeep Singh (Committee Member) would be the Acting Secretary as an In trim arrangement.

Members are requested not to use our Car Parking area for eating or drinks.

Self discipline is what all of us need to follow and let us dear Members lead by example. We would like to make our Institute more hospitable for our beloved Members and weed out unscrupulous elements from our beloved Institute.

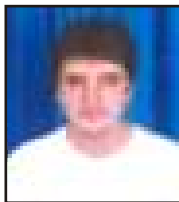

BAR :

Mr. Gurubaksh Singh Jolly, Vice President and Member in charge, Bar Sub Committee are in the process of addressing various issues and negotiating will liquors companies to get the best schemes for our Institute. Various brands on offer are:
