Our quality checks are exactly like great granddad's were. We personally test our products for perfection every evening.

**PROUDLY
OLD-FASHIONED
SINCE 1883**

For 123 years, the magic of Black Dog has been conjured up in the ancient Scottish tradition. Created from only the finest, in the same way the first Black Dog was. Quietly perfected over the years, so that it matches up to our exacting standards. And released, only when the time has leisurely arrived. We wouldn't have it any other way. And those gentlemen, who enjoy Black Dog, wouldn't either.
